About Us

At Intertech, we are committed to-

- Maintaining integrity in every aspect of our business
- Delivering highly custom solutions to suit customer needs
- Creating an environment that encourages teamwork
 - Innovating and adopting new technologies
- Providing high quality products and services
 - Encouraging leadership on all levels
 - Valuing our suppliers as partners
 - Focusing on customer satisfaction

Having opened our very first office in Dubai more than two decades ago, Intertech has become a world-leading control room expert, set to supply nothing but the highest quality.

With more than 400 control room installations, 100+ years of combined experience and 20+ years of innovation, Intertech stands today more ready than ever for any challenge it faces.

Fully committed to quality, Intertech is an **ISO-9001-2015** Certified Company.

In addition, Intertech provides ergonomic control room designs as per **ISO 11064-1** guidelines.

Years of control room innovation

Years of combined experience

Control rooms

01 FACILITY MANAGEMENT CONTROL ROOM

This control room consists of a vast space separated into three zones, with a central meeting space and gallery. The use of a staggering console configuration also enabled a higher occupancy limit to be achieved, whilst giving each operator ample space and comfort.

Project 06

- Legend**
- 1- Operator consoles- (West wing)
 - 2- Central meeting table
 - 3- Operator consoles- (East wing)
 - 4- Transportation Services Command centre
 - 5- Meeting room w/ Spectator's gallery
 - 6- Fire escape
 - 7- LED screen display
 - 8- Secondary LED display
 - 9- Equipment room
